We are excited to announce that **Beer Breakfast Events** will be supporting Angels Against Abuse, Inc. Saturday March 10, 2018 at The Mandarin Hide located at 231 Central Avenue St. Petersburg, FL. from 9 AM – 2 PM. We want to thank Jared Repka and his **Beer Breakfast** supporters for selecting our organization as their local charity recipient this year. Their support will help us to make an impact on the lives of the children and youth in our community who have become victims of child abuse and neglect.

Angels Against Abuse is a 501(c)(3) nonprofit who are making a difference in our community for the children and youth who are victims of child abuse and neglect in the foster care system or at risk of going into the system. We are 100% volunteers and raise our own funds to provide service and assistance to the many resources in our community that are being impacted with budget cuts and/or lack of funding. The Angels have the reputation of being the Quick Responders in providing immediate assistance when requested since we receive no government funding. Nearly 100% of every dollar we raise goes directly to the children and youth we serve. It is our mission to create programs for these children that will make the most difference in their lives and hopefully we can be a part of breaking the pattern of abuse. The Angels not only want to make a difference in their lives but we want to give them "Hope" for a better tomorrow. We can only be successful because of organizations like the Beer Breakfast supporters that help us to help them!

Here are the programs and services that we provide to our Community Partners:

- Sallie House/Children's Village Christmas Program and Birthday Celebrations

Our Impact in the Community:

The Angels have been making a difference in the lives of children and youth since we began our journey in 2007. Our community partners rely on the Angels to bridge the gap with services and resources that are unavailable to them and provide these services within the timeframe they have requested. We want the children and youth we advocate for to know there are Angels in the community that want to make a difference in their lives and give them **Hope** for a better tomorrow!

Please visit our website www.angelsagainstabuse.org for more information or contact me personally at sandy@sandykearney.com. We'd love to have you join our Angel Team and be a part of giving HOPE for a better tomorrow to the children and youth we advocate for 24/7.

We'll see you at Beer Breakfast!!

Sincerely,
Sandy Kearney, Founder
